

Presto Spot Mop

SPOT CLEANING MADE EASY!

SYR Presto Spot Mop is designed for spot cleaning crowded areas, such as supermarkets, cafes and pantries. With cleaning solution stored in the mop handle, it is ideal for quick touch up without having to use an autoscrubber.

Recommend for use with the Ultra 640 microfiber value pad. Requires only plain water. Avoid using bleach, quart-based disinfectants, phenolic-based disinfectants and strong solvents.

- Dries quickly to reduce slip-and-fall risk
- Compact design
- Water stored inside stick (No external bottles to break)
- Convenient to use
- Idiot-proof design for easy usage
- Recommended for use with Ultra 640.
- Available in blue, red, yellow and green

TIPS

DETERGENTS IN HANDLE?

We **DO NOT** recommend to use detergents in the spot mop. The detergents tend to block or damage the water release valve.
