STEAM CLEANERS

Gal 6 Bar

Compact and Powerful

Code: 2013-100014

The Gal 6 Bar is a compact 6 Bar pressure dry steam cleaner designed to reduce cleaning time, physical effort, water consumption and chemical use in cleaning. It not only dissolves grime and oily grease with ease, but also kills bacteria instantly. Made in Italy.

5 Important Benefits

- ✓ Powerful steam - 165 °C steam to kill bacteria and remove stains
- ✓ Compact and mobile design - easy storage, only slightly larger than a soccer ball
- ✓ 24 x 7 continuous steam
- ✓ Extremely fast 3.5 min start up time
- ✓ Easy transportation with **optional trolley** available (2012-Z-CR40025)

6 Bar	64 g/min	Steam only

Evo Blue

Compact and Handy

Code: 2013-100015

The Evo Blue excels at being an affordable solution for a high quality steam cleaner for grout cleaning, tile restoration, getting rid of bedbugs, kitchen cleaning and general steam cleaning. With its chemical injection function, **Evo Blue combines heat, pressure and chemicals for effective cleaning**. Made in Italy.

5 Important Benefits

- ✓ Powerful steam - 6 Bar pressurised 165 °C steam
- ✓ Low in maintenance, high in performance
- ✓ Durable with stainless steel chassis and body
- ✓ 24 x 7 continuous steam
- ✓ Digital device with thermometer, pressure gauge and hour meter
- ✓ **Optional trolley** available (2012-Z-CR40025)

6 Bar	64 g/min	Steam only	Hot Water + Chemical

SUPERSTEAM
THE CHOICE OF CLEANING PROFESSIONALS

Junior Star Max

Essential for Professional Cleaning

Code: 2013-100006

The Junior Star Max is a **professional heavy duty 4-in-1** steam cleaner (steam + vacuum + hot water + chemical injection) with AISI 304 self cleaning boiler and auto-refill.

Also available in HVAC version (steam + hot water + chemical injection). Made in Italy.

5 Important Benefits

- ✓ Extra powerful steam - 97 g/min steam production, 6 Bar pressurised 165 °C steam to kill bacteria and remove stains
- ✓ Hot chemical injection for faster and more effective cleaning
- ✓ Wet and dry vacuum to suck in grime and dirt
- ✓ 24 x 7 continuous steam
- ✓ Clean up to 4'' coils for commercial AHU/FCU

6 Bar	**97 g/min**	**Steam + Vacuum**	**Hot Water + Chemical**

Steam Tech 12000

Maximum Performance

Code: 2013-100010

As a three-phase steam generator, the Steam Tech 12000 boosts maximum performance with 10 Bar operating pressure, 291 g/min steam production and high 180 °C steam temperature.

It is perfect for **HVAC Air Handling Unit (AHU) cleaning**. It allows in-situ AHU cleaning and clears chokages more effectively than chemicals, therefore saving huge amount of time in regular maintenance of the AHU unit. Made in Italy.

5 Important Benefits

- ✓ Clean 8'' coils effectively - clear chokes, grease and ice
- ✓ Gentle on fins
- ✓ Improve air flow through AHU and thus save energy
- ✓ No chemicals needed, clean purely by steam
- ✓ Dry and not messy

10 Bar	**291 g/min**	**Steam**	**Hot Water + Chemical**

Steam Cleaner Accessories

A steam cleaner is only as good as the accessories it features. Cheaper domestic models only feature basic tools like a short hose (2.5 m) and simple floor tools that make cleaning rather difficult. With Tecnovap, all accessories are made of **nylon fiberglass composite** which are built tough and last for years.

Many optional innovative accessories such as the extendable steam mop with a 10 m hose, the rugged stainless steel upholstery tool, the flexible steam lance etc are available to fulfil your different steam cleaning jobs.
