- Pad holder x 1
- Soft carpet brush x 1
- Hard brush x 1
- 12 m SuperFlex wire x 1

Tommy C18X

ROBUST & POWERFUL

Powered by a 1.5 horse power Imperial motor and gear running at 175 RPM, this is a single disc scrubber built to last. This 50kg machine scrubs harder and works 15% faster than normal single disc scrubbers.

The Tommy C18X is ideal for medium-duty usage such as polishing, scrubbing (wood and cement floors), stripping, buffing and carpet shampooing.
