

USA Banish Cleaning Pads

Handheld Eraser Pad

USA Banish Cleaning Pads

6041-970051

11 cm (L) x 6.8 cm (W) x 3.8 cm (H)

MOQ = 1 carton (24 pcs)

USA Banish Cleaning Pads is a handheld eraser pad. Made of highly compressed melamine foam. It cleans very well without the need of chemicals, removing tough stains and ink marks, all with only just water!

Made in USA.

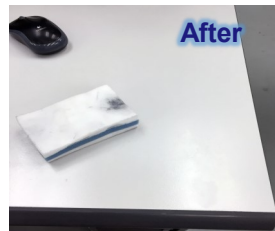

5 Important Benefits

- ✓ Suitable to clean smaller surfaces
- ✓ Chemical-free, cleaning with water only
- ✓ Highly effective on stubborn stains and ink marks
- ✓ Double sided design lets you use it completely
- ✓ Middle sponge layer stores water

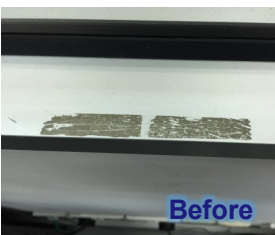

Application field:

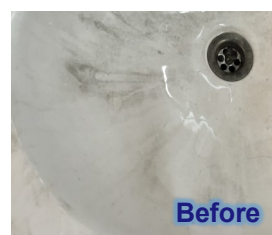

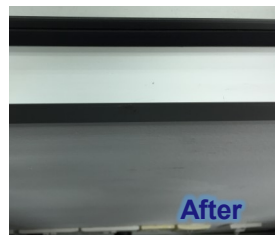

Ink mark on table top

Scratch mark on wall

Glue Mark on aluminium

Rough Stains on basin

TIPS Melamine Magic!

The Magic Melamine Foam doesn't need harsh chemicals - it's water-activated.

So you just wet it under the tap and then swipe away the dirt and grime and grease and whatever else you can find. Rubbing with a slightly moistened foam may remove otherwise "uncleanable" external markings from surfaces.
