

Premium Kleen Surface

POWERFUL & EASY TO USE

Scan For Details

Revolutionary new product for cleaning metal – Premium Kleen Surface! Premium Kleen Surface Multipurpose Cleaner removes grease, sanitises and cleans mould, removes rust, and kills bacteria and other allergy causing pathogens. For kitchen, outdoor area, cooking equipment and most metal surfaces.

Unlike other harsh and abrasive metal cleaners, Premium Kleen Surface is safe to touch, odour-free, works without gloves or tedious scrubbing, contains no phosphorous and is eco-friendly.
