

CLEANING & SANITISER

TERSANO ICLEAN MINI

CLEANING SUPPLIES

Tersano iClean mini

THE NEW SIZE OF CLEAN

The new iClean mini turns tap water into safe, effective cleaner and sanitiser stronger than bleach without the hazardous odours, fumes or toxic residues that comes with traditional cleaning chemicals.

With the press of a button, the iClean mini's diamond-coated electrodes instantly create an oxidising solution that is safe for people - yet tough on dirt, germs and odours.

SAFE POWERFUL CLEANING

Works stronger than bleach and hydrogen peroxide, yet so safe - will not harm eyes or skin if accidentally splashed

EASY REFILL

Converts water into powerful oxidiser for on-demand cleaning anywhere, anytime

SEALED & PORTBALE

Only 23cm in height and sealing design to prevent leakage
