**PACKAGE Includes:**

- ✓ Squeegee assembly x 1pc
- ✓ Brushes x 2pcs
- ✓ Lithium Battery x 1pc
- ✓ Battery Charger x 1pc

- ✓ It delivers cleaning performance akin to that of larger washing machines.
- ✓ It's a floor scrubber washer that uses disc brush and squeegee to wash the floor. When it moves forward, it will collect dust and liquids that are not absorbed by the ground.
- ✓ The Picomop's design guarantees effective cleaning and drying, simplifying and accelerating cleaning tasks.
- ✓ The machine can rotate 360degrees, which is suitable for cleaning narrow areas & comes with a compact design for storage purpose.
- ✓ It can operate for up to 75-100min in ECO Mode.
